STAND AGAINST CORRUPTION

INTEGRITY BUILDS THE FUTURE

Corruption is the abuse of power, position, or entrusted authority for personal gain, often involving bribery, fraud, favoritism, or dishonest practices that harm the public interest.

Why Say No to Corruption?

- ✓ Destroys Trust
- ✓ Hurts Development
- ✓ Creates Inequality
- ✓ Damages Reputation

How Can We Fight It?

Be Honest: Choose integrity in every action

Speak Up: Report suspicious or unfair practices

Stay Aware: Learn about the impacts of corruption

SAY NO TO CORRUPTION!

SAY YES TO INTEGRITY!

HOW TO LEARN EFFECTIVELY

Learning is

A process of discovery – Every mistake is a lesson, and every success is proof of growth.

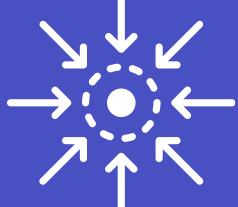

Define what you want to achieve

Teach others to reinforce understanding

Use spaced repetition for better retention

Study in a distraction-free environment

Join discussions or study groups

Sleep well for better memory

A LIFELONG JOURNEY

Exploring new possibilities – It opens doors to new ideas, careers, and experiences.

KICKSTART NEW HABITS: 5 SIMPLE STEPS FOR POSITIVE CHANGE

1

Start Small

Choose an action that is incredibly easy to do, no matter how tiny.

3

Remove Obstacles

Eliminate anything that makes it harder for you to perform the new habit.

2

Create Clear Cues

Link your new habit to an existing routine (e.g., after coffee, immediately exercise).

4

Celebrate Small Wins

Acknowledge and reward yourself each time you successfully complete the new habit.

5

Be Patient & Consistent

Remember that change takes time and continuous effort.

HOW TO PROPERLY CLEAN YOUR HANDS

Start by soaking
hands with water

Dispense enough
soap to cover hands

Rub palms together
in circular motion

Wash the back of
both hands

Scrub around
thumbs gently

Clean sides and
backs of fingers

Interlock fingers and
rub

Don't forget to clean
your wrists

Rinse off soap with
clean water

SCIENCE REBUS PUZZLE

Construct a science word or phrase using the images, text, and/or symbols provided.

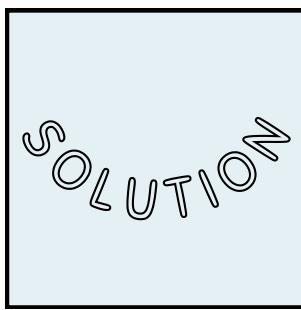

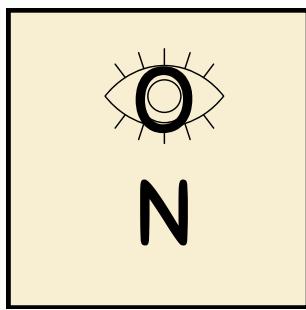

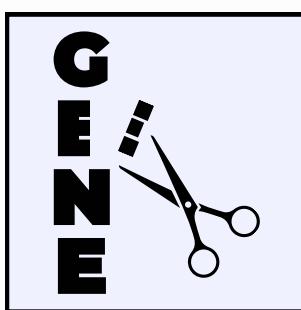

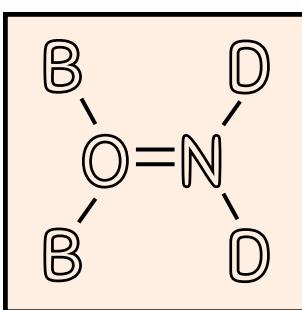

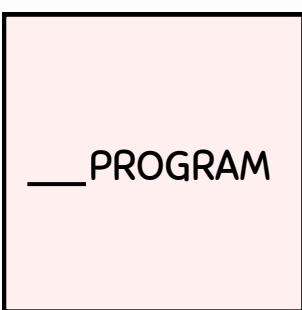

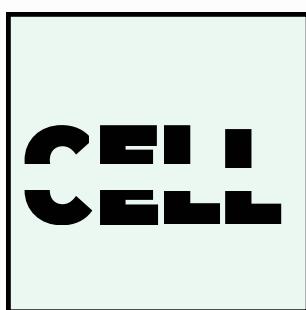

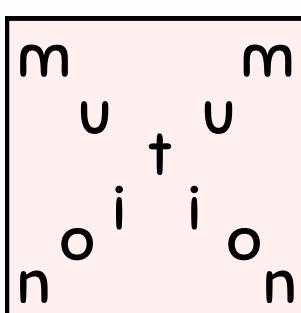

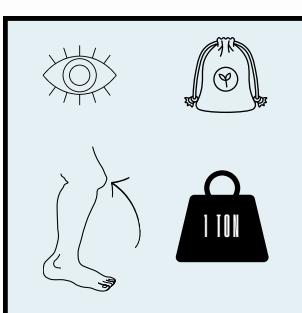

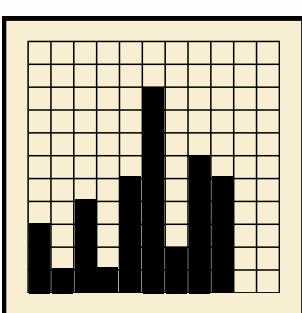

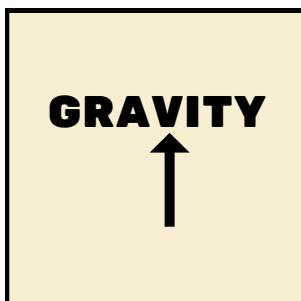

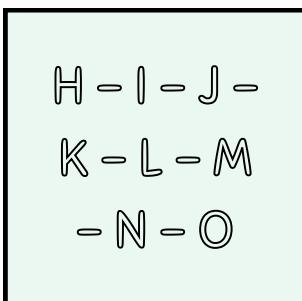

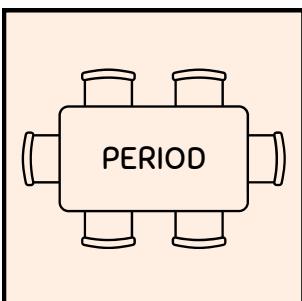

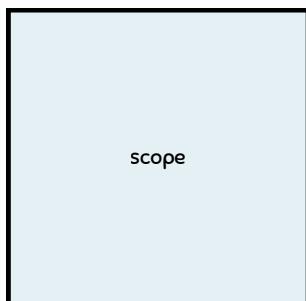

Name: _____

Date: _____

Class: _____

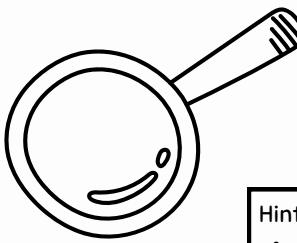

Hints:

- Look at the placement and size of the words.
- Is there something missing or something you can count?

MONEY TIPS TO GROW CONFIDENT KIDS

POCKET MONEY

Start small, suited to their age.

Let kids spend, save, or plan big things themselves.

SAVING UP

Always save a part of any money received.

SMALL GOALS

Small goals keep kids motivated.

WANTS VS. NEEDS

Talk about the difference between "want" and "need."

FAMILY BUDGET

Talk about where family money goes.

Let kids help plan, count, and track with fun visuals.

MONEY STORIES

Stories make money topics simple and fun.

Pick books where heroes save, spend wisely, or share.

@reallygreatsite

PREVENT BULLYING IN SCHOOL

1 TEACH KINDNESS & EMPATHY

When students are able to approach ideas and problems from multiple perspectives, they're less likely to bully other

2 TALK OPENLY AND FREQUENTLY

Check in with your children daily and ask about their time at school and their activities online

3 EDUCATE YOUR CHILDREN ABOUT BULLYING

Once they know what bullying is, your children will be able to identify it more easily, whether it is happening to them or someone else

Empowering Children

Encourage Their Voice

Give children the chance to share their thoughts and ideas. Listening shows their opinions matter.

Model Positive Behavior

Children learn by example. Show kindness, respect, and resilience in your actions.

Set Achievable Goals

Help them set small, realistic goals. Success builds confidence and motivation.

Celebrate Effort, Not Just Results

Praise their hard work, persistence, and creativity not only the outcome.

SIMPLE HABITS THAT WILL MAKE YOU FEEL HAPPIER

WHAT IS HAPPINESS?

Happiness is an emotional state that is characterized with the feelings of joy, satisfaction, and fulfilment

BE POSITIVE

Giving a positive vibe to people around you will bring happiness not only for them but for ourselves too

EAT HEALTHY FOOD

Eating healthy foods will give you lots more energy than junk food will and it is very good for your body

GET ENOUGH SLEEP

By getting enough sleep you won't feel sluggish and have a lot of energy in the morning

EXERCISE MORE

When we exercise, our body gives out a hormone called endorphins, giving us the feeling of joy

WHY DO SOME PEOPLE FEEL UNHAPPY?

One of the most common reasons that can make people unhappy is waiting. When you wait for happiness thinking you'll be happy when you hit a goal, you deny yourself the ability to be happy in the present moment.

HOW TO BE GRATEFUL

Have an open mind. Accept your strength and weaknesses. Be grateful. Do not be afraid of mistakes.

SPEND TIME WITH YOUR LOVED ONES

Spending time with people you care about will give you a feeling of happiness

Classroom Newsletter

April 2035

Teacher's Note

Hello Families! We've had an exciting month of learning and fun in Grade 3! Here's a quick update on what we've been up to and what's coming next.

What We're Learning

- Math: We're working on multiplication and division with two-digit numbers.
- Reading: We're reading Charlotte's Web and focusing on character development and plot.
- Science: We've been exploring the water cycle and conducting experiments on evaporation.

Reminders

- Please remember to send in permission slips for the field trip by April 18th.
- Don't forget to check your child's homework folder for updates.

Upcoming Events

- Field Trip to the Science Museum – April 20th
- Parent-Teacher Conferences – April 25th (Sign-up forms sent home)

Thank you
for your
continued
support!
[Ms. Olivia]

Classroom Highlights

- Student of the Month: Congratulations to Sarah for showing kindness and hard work!
- Fun Activity: We had a great time with our Earth Day art project, making recycled paper flowers.
